

EAC-CIWMB Compliance Toolbox Survey Form (2/06)

EAC-CIWMB staff is conducting a survey as an initial step to develop a Compliance Toolbox Web site. The purpose of this toolbox is to provide materials and strategies that will increase knowledge and understanding, and thereby reduce and prevent violation of solid waste statutes and regulations.

Feel free to add and rank any other ideas for pages, topics, tools, or resource materials that you would like to see added to this toolbox.

ENFORCEMENT	
Ranking	Examples of proposed web pages for ENFORCEMENT of SMS, Permits and Public Resources Code: Please rank the proposed Enforcement and Inspection subject areas below from the most important (1) to least important (5).
